UPGRADING YOUR DRIVER LICENCE

If you have a Queensland provisional or open licence, you can learn to drive the next highest vehicle class.

If your provisional or open licence only authorises you to drive a class of motor vehicle fitted with an automatic transmission, you are also authorised to learn to drive or ride the same or higher class of motor vehicle fitted with a manual transmission.

When learning to ride or drive in a higher licence class, you must:

- clearly display **L** plates at the front and rear of the vehicle
- show your provisional or open licence to a police officer if required
- **obey a zero alcohol limit**
- **not be under the influence of illegal or prescription drugs**
- **obey any conditions stated on your licence.**

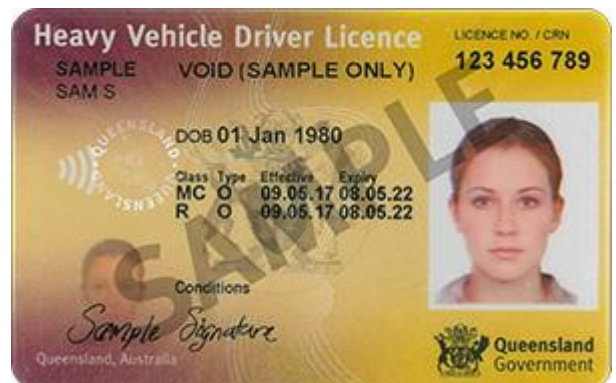

To apply for the next higher class, you must hold your current licence for a set period:

- C class 1 year, next highest class is LR or MR.
- C class 2 years, next highest class is HR.
- LR or MR class 1 year, next highest class is HR.

How to apply

To apply for the next higher class of licence you must:

- bring your current licence
- declare that you are **medically fit to drive** the higher class of vehicle. You may need to provide a **medical certificate**.
- pass the multiple choice *Written Road Rules (Heavy Vehicle) Test* (~\$30), if upgrading from C class only.
 - Do this anytime at any TMR customer centre.
 - You can do practice tests several times online: [Heavy Vehicle Practice Tests](#)
- pay the *Practical Driving Test* fee (~\$65), book [subject to vehicle or my availability] and pass the test.
